

Prorated 25-Year Limited Warranty

Maibec Acenta™ stone accent system

WARRANTY APPLICABLE IN NORTH AMERICA TO PRODUCTS SOLD THROUGH AUTHORIZED MAIBEC DISTRIBUTORS AND RETAILERS.

DURATION AND SCOPE OF WARRANTY

Under the terms and conditions of this warranty, Maibec Inc. warrants the product against product **chipping, natural colour fading, cracks and fissures** caused by product failure and product **disintegrating** for a period of **twenty-five (25) years** from the date of purchase. The coverage under this Limited Warranty is only for manufacturing defects that significantly affect the performance of the Concrete Products on the Owner's property, and the conformity of the Concrete Products to their published specifications (colour, finish etc.) and for no other cause whatsoever.

- A. By purchasing the product, the purchaser accepts the terms and conditions of this warranty, which replaces any other representation, warranty or condition, explicit or implicit, statutory or other. Maibec limited warranty is made to the original retail purchaser of the product, the original owner of the structure on which the product is installed, and the next owner of that structure (collectively hereinafter referred to as "Owner") and is only valid if owner registers their purchase at maibec.com.
- B. For the **first five (5) years** after the purchase date, Maibec Inc., at its sole discretion, shall reimburse either the purchaser or subsequent owner of the building, on which the product is applied, as the case may be, for the cost of purchase of a sufficient amount of product to replace the damaged surface, without exceeding the initial cost of purchase of the product, and reimburse the Owner for Reasonable removal, replacement and disposal costs for Defective Concrete Products (the "Labour Warranty"). "Reasonable" means a maximum of 1 1/2 times the MSRP amount at the date of purchase of the Defective Concrete Products, excluding of applicable sales taxes. The Labour Warranty and the Materials Warranty coverages are prorated based on the remaining Product Lifetime at the time the Owner submits a warranty claim. During the first five (5) years of the Product Lifetime, Maibec covers one hundred percent (100%) of the cost of the Materials Warranty and the Labour Warranty. Commencing on the fifth anniversary of the Concrete Product's installation, Maibec reduces its warranty coverage for the remaining Product Lifetime.
